

The World Reformed Fellowship

Fourth General Assembly

Holiday Inn Parque Anhembi, São Paulo, Brazil

Monday, March 23 - Friday, March 27, 2015

Reformed Theology and the Mission of God in the 21st Century: Critical Issues Facing the Global Church

The General Assembly will address critical issues facing the church so that “the strengths of some will become the strengths of all in the service of Jesus Christ.”

The Assembly begins each day with worship and biblical exposition. Our preacher at the Opening Service is Dr. Davi Gomes (Brazil); at the Closing Service, Rev. Robert Benn (Australia). Every morning, Dr. Chris Wright of England will lead us in a study of Scripture.

This global event is one way the WRF builds networks of evangelical Reformed Christians around the world.

Two official meetings of the full World Reformed Fellowship General Assembly will be held at which time, among other things, a new Board of Directors will be elected.

The General Assembly and Conference are co-hosted by the Presbyterian Church of Brazil (www.ipb.org.br) and Mackenzie Presbyterian University (www.mackenzie.br)
